Dear Sirs,

Intended Opposition against Trade Mark Application No. 3011138211 for

 " in Class 30

Applicant : Fei Fah Medical Manufacturing Pte Ltd.

Intended Opponent: Mars, Incorporated

We represent Mars, Incorporated. Our client is the registered proprietor of the “RIPPLE” and “GALAXY RIPPLE” trade marks worldwide. In particular, our client is the registered proprietor of the “GALAXY RIPPLE” trade mark in Hong Kong and Singapore as well as the “RIPPLE” trade mark in China in class 30 covering, inter alia, “non-medicated confectionery and frozen confections” and “糖果” respectively (“Prior Marks”). Copies of the trade mark record for these registrations are enclosed for your reference.

It has come to our client’s attention that your client has applied to register the “” trade mark (the “Proposed Mark ”) in class 30 in respect of “Coffee, Tea, Cocoa, sugar, rice, tapioca, sago, artificial coffee; flour and preparations made from cereals, bread and pastry and confectionary, ices; honey, treacle; yeast, banking-power; salt, mustard; vinegar, sauces(condiments); spices; ice, herbal health supplements for food use; herbal tea for food use ” .

Due to the similarity between the Prior Marks and the Proposed Mark in the common word “RIPPLE” and the conflicting goods, i.e. confectionary, consumer confusion may raise. In order to avoid such confusion, our client requests that your client amends the specification by deleting “confectionary” .

We are instructed to file an opposition against the Proposed Mark in the event that our client’s request is not complied with.

We hope your client will take this opportunity to settle this matter amicably and look forward to hearing from you on or before **Tuesday 21 October 2008**.

Yours faithfully,

Yu & Partners
